

October 5, 2009

On behalf of the NCACDA Children's Honor Choir committee, we wish to thank you for seeking membership in an honor choir. Of the 102 vocalists who auditioned, 86 were selected. We are pleased to announce that you have been selected as an alternate for the Children's Honor Choir. If a selected student should turn down their appointment, you will be contacted to fill the position and perform with the Honors Choir at Orchestra Hall this coming March. We will notify you as soon as possible for you to make arrangements to attend the Honor Choir rehearsals and performance.

We wish to personally applaud you for giving this process your most serious consideration, for following through with submitting an audition CD, and now being selected as an alternate. We trust that the musical requirements contained in the audition were worth the investment of your time and energy. We hope that it contributed towards increased learning for yourself and further enhanced your own musical reflection.

Once again, we wish to congratulate and commend you for considering this experience and wish you continued success as you continue your choral music studies.

Sincerely,

Doug Strandell, Coordinator
