

Hi Bob,

I still haven't finalized my program. I know the pieces we will be singing but I haven't quite decided on the program order.

Do you still want me to send you titles or can I wait until I decide on the order?

As far as stage set-up goes, we will need 8 sections of risers, the women stand in four rows, and I will need a stand and podium. We will not need a piano.

Thanks Bob!

Kathleen
