

Hi Bob!

I think my set-up may have changed slightly--I can't remember what I sent you!

I will be using 7 sections of risers, I need a podium and stand for myself, and 1 stand and a microphone for our flute player (if the flute player isn't miked, she won't be heard over the choir!).

I would like a piano available for my warm-up only.

Please let me know if this is all possible.

Thanks so much.

Kathleen
