

Hello Robert,

Since I am on sabbatical and giving my presentation, Developing a Vocal Color Palette for Various Choral Styles, at several conferences, I am not absolutely sure if I submitted my equipment request to you. I was not able to complete the attachment and return with the additions, so I will give them to you in this email. Sorry!

Peggy Dettwiler (my name is misspelled in the schedule)  
Developing a Vocal Color Palette for Various Choral Styles - interest session

Requests:

piano  
lectern or large music stand  
computer connection for CD and/or DVD display  
microphone

Really looking forward to coming to Minneapolis - thank you for the opportunity.

Best wishes,  
Peggy
