

Honor Choir Concert Ticket Policy

Tickets for the Honor Choir Concert will be sold during each Honor Choir registration time. After registration an announcement will be made to all Honor Choir participants regarding when and where tickets will be available on Saturday prior to the concert at Orchestra Hall.

Please be advised of the following guidelines regarding audience expectations:

- 1. All audience members age 6 and above will be required to purchase a ticket to the concert.**
- 2. Audience members who are under age 6 will be admitted without charge to the concert provided they share a seat with a parent/guardian.**
- 3. When making the decision to bring children under age 6 to the concert parents should take into consideration that the concert will extend over a two hour time period and that it will be recorded. If a parent feels that their young children will not be able to sit quietly for that amount of time they should consider making other arrangements for them out of respect for the other audience members and the performers.**

Please feel free to contact Mr. Doug Strandell at 507-421-9251 or e-mail dstrande@pineisland.k12.mn.us if you have any questions or concerns.
